# Topcon's IS-100: New versatile Instrument Stand

**Topcon IS-100 Instrument Stand is the economic solution for your eye-care practice architecture.**

The Instrument Stand is available in both right and left version. Two ergonomic types of chairs are available to use with this stand: One basic version with arm rests (OC-8) and a full reclinable version (OC-9).

The IS-100 requires just a small installation space, whilst offering the possibility to install two instruments on the swivel type table top.

**IMPORTANT**

Subject to change in design and/or specifications without advanced notice. In order to obtain the best results with this instrument, please be sure to review all user instructions prior to operation. Medical device Class: I. Manufacturer: Antoni Carles S.A.
